About Me

Alaa' Omar is a software engineer, and M.Sc. student who is currently studying software engineering at Birzeit university. I don't pretend to know everything, but I have what it takes to accomplish anything.

Other Interest

Networking · Developing business communication skills · Attending workshops · keeping up-to-date with latest technology issues · Reading.

Skills

The skill scale is from 0 (Fundamental Awareness) to 5 (Expert).

Experience

- Present** **Computer Engineer** Student Loan Fund for undergraduates, Palestine/Ramallah
 - Software analysis and requirement gathering
 - Testing and troubleshooting
 - Web / Desktop Application development using VB, C#, Telerik
 - Web services development using WCF.
